

ATLAANZ Hardship Grant

The tertiary education environment is undergoing multiple changes and this has placed pressure on its employers to change with it. This has an impact on the infrastructures that support the staff and students alike.

ATLAANZ offers a **one-time hardship grant** to members (who held membership the previous year) struggling to pay their annual membership.

The executive committee meets monthly to discuss applications for funding. All funding decisions are based on how much money is available and the extent to which any application fulfils the following selection criteria below:

Selection Criteria

- Was a registered member the previous year
- Evidence of benefit to the practice of learning advice in Aotearoa / New Zealand
- Commitment to share your learning with the ATLAANZ community (e.g. through a written report to the ATLAANZ committee to be included or summarised in the member newsletter, a presentation at an ATLAANZ event and / or an article in the ATLAANZ journal)

Members are invited to apply by sending the details below (either in the body of an email or as an email attachment) to atlaanz-executive@googlegroups.com.
